

+ My IB Subject-University Requirements Check

Add 5–10 realistic courses. Use only official university or course pages, and record the date checked.

University and exact course	Chemistry requirement	Other required or preferred HL subjects	Overall and HL scores	Official source	Date checked
1 _____	_____	_____	_____	_____	_____
2 _____	_____	_____	_____	_____	_____
3 _____	_____	_____	_____	_____	_____
4 _____	_____	_____	_____	_____	_____
5 _____	_____	_____	_____	_____	_____
6 _____	_____	_____	_____	_____	_____
7 _____	_____	_____	_____	_____	_____
8 _____	_____	_____	_____	_____	_____

Which subjects appear most often?

Which routes would Chemistry SL close?

Which routes would another HL choice protect?

Is the proposed Diploma combination sustainable?
